Is 2023 or 2024 going to be the year you will complete your GED? Now is the time! The Community For Christ Assistance Center partners with John Wood Community College to sponsor a free GED program held at the First Christian Church in Camp Point every Tuesday from 9:00 a.m. to noon. Classes begin again on Tuesday, August 22, 2023.

Why would you want to earn a GED?

1. Employment - Increase opportunities in number and quality;
2. Self-esteem - Give your self-esteem, pride and sense of accomplishment a big boost;
3. Role model – Show your value of education which is important when raising children;
4. Education – Move one step further in taking your career to the next level by going to college or trade school;
5. Finances – Earn on the average \$9,000 more a year

Who is eligible to begin this program?

1. You are 16 years old or older. (Students must be at least 17 to take the GED tests.)
2. You have withdrawn from High School.
3. You are willing to do work to accomplish the goal.

How will the program work?

1. Call JWCC at 217.641.4951 or go to jwcc.edu/GED.
2. Attend a 3-hour class at least once a week to improve your Math, Language Arts, Science and Social Studies skills. The more you come and participate the sooner you will be ready to take a GED test.
3. When you are ready to take a part of the GED test, CFCAC will pay for each of the 4-test cost and travel expense.

Take advantage of this great opportunity!

If you have any questions, please call CFCAC at 217-593-7052 or email at cfcac04@adams.net.

Sincerely,
Pat Heinecke
